

Slide 1

- These slides are in sections and subsections within the document
 - Which means all slides must be in a section *and* subsection! (For sectioning consistency.)

Slide 1

- These slides are in sections and subsections within the document
 - Which means all slides must be in a section *and* subsection! (For sectioning consistency.)
 - You may use a “dummy” subsection to make a slide appear to be in a section rather than a subsection.

Slide 2

A slide in a new subsection.

Slide 3

A slide.

Slide 4

A slide.

Slide 6

A slide.
